Policy and Procedure

- I. Mount Carmel College of Nursing has a formal process for addressing and resolving student complaints and grievances emerging from alleged violations of College policies, procedures, or established practices on the part of a College faculty member, staff member, or department.
- II. When registering complaints, students must follow appropriate procedures. If a student has any questions about the proper procedure to follow, they may contact the Mount Carmel College of Nursing Compliance Officer at 614-234-5213 or compliance@mccn.edu.
- III. The College seeks to resolve complaints and grievances in a timely manner. Each complaint or grievance generally requires some level of investigation, fact-finding, and deliberation. Thus, timeframes for resolving complaints can vary depending upon the nature and extent of the complaint or grievance.
- IV. This policy addresses student complaints and grievances not otherwise covered by another College policy or procedure. Guidance and procedures for complaints covered by other policies are described and listed below:
 - **Academic and Professional Misconduct:** Procedures outlined in the [Academic and Professional Misconduct section](#) of the current Undergraduate or Graduate Student Catalog-Handbook will be followed.
 - **Disability or Accommodations for Students with Disabilities:** Procedures outlined in the [Academic Adjustments and Accommodations for Students with Disabilities Policy](#) will be followed.

leader/administrator issuing the response from Step 1. This appeal should specify the reasons for the appeal and any rationale or evidence in support of the appeal request. The appeal must be submitted in writing, either via email or on printed paper (and signed by the student). Except in extraordinary circumstances, within fourteen (14) calendar days from receipt of the student's Step 3 appeal, the President will issue a decision. The President's decision is final and not subject to further appeal.
