

### Allocation of Graduate Credit Hours

Allocation of graduate credit hours is based on a 16-week semester. Graduate online courses are implemented over the 16 weeks, with the exception of HUMN 505 (8 weeks).

#### General Education Courses and Non-Clinical Nursing Courses

1 course credit hour = 1 theory hour per week per semester (for 16-weeks courses)

#### Clinical Nursing Courses

Graduate: 1 course credit hour = 1 theory hour per week per semester

1 course credit hour = 3 lab/clinical hours per week per semester
