

### **Allocation of Undergraduate Credit Hours**

Allocation of undergraduate credit hours is based on a 16-week semester.

#### General Education Courses, Non-clinical nursing courses, Nursing Seminars

1 course credit hour = 1 theory hour per week per semester (50 minute instructional hour)

#### Science Courses

1 course credit hour = 1 theory hour per week per semester (50 minute instructional hour)

1 course credit hour = 2 lab hours per week

#### Clinical Nursing Courses

1 course credit hour = 1 theory hour per week per semester (50 minute instructional hour)

1 course credit hour = 3 lab/clinical hours per week per semester

#### Clinical Nursing Courses

### **Semester Courses**

Nursing Course Number*	Credit Hours	Credits allocated to theory	Instructional Hours in class per semester	Credits allocated to lab/clinical	Total Instructional Hours in lab/clinical per semester
204/294	5	4	64	1	48 lab
205/295	6	3	48	3	48 lab / 96 clinical
309/399	10	6	96	4	24 lab / 168 clinical

### **8 Week Term Courses (semester hours x 2)**

Nursing Course Number*	Credit Hours	Credits allocated to theory	Instructional Hours in class per semester	Credits allocated to lab/clinical	Total Instructional Hours in lab/clinical per semester
307/397 308/398	5	3	48	2	12 lab / 84 clinical
405/495 406/496 407/497	5	2.5	40	2.5	16 lab / 104 clinical
408/498	5	1.5	24	3.5	2 lab / 166 clinical

\* Corresponding courses in Second Degree Accelerated Program are numbered with a “9” as the middle number. Credit hour allocations are equal to Traditional Program hours.
